E-Ticket Notice:

Carriage and other services provided by the carrier are subject to conditions of carriage, which are hereby incorporated by reference. These conditions may be obtained from the issuing carrier.

Hazardous Materials and Substance Control Policy:

The carriage of certain hazardous materials like aerosols, fireworks, and inflammable liquids aboard the aircraft is forbidden. Personal motorized vehicles such as hoverboards, mini-Segways, and smart or self-balancing wheels, are also forbidden on flights as they contain large lithium batteries. For safety reasons, airlines can't accept these as part of checked-in baggage or as hand luggage. If you do not understand this restriction, further information may be obtained from your airline. All countries have a strict, zero-tolerance, anti-drugs policy. All airports conduct thorough searches using highly sensitive equipment. Possession of any amounts of illegal drugs by travelers entering or transiting through any country will be subject to punishment.

Cabin Baggage Allowances:

- Economy Class:** One piece of carry-on baggage is permitted at all airlines with maximum dimensions: 55 x 38 x 20cm (22 x 15 x 8 inches) and maximum weight: 7kg (15lb).
- First Class and Business Class:** Generally, two pieces of carry-on baggage permitted at all airlines: one briefcase plus either one handbag or one garment bag. The briefcase may not exceed 45 x 35 x 20cm (18 x 14 x 8 inches); the handbag may not exceed 55 x 38 x 20cm (22 x 15 x 8 inches); the garment bag can be no more than 20cm (8 inches) thick when folded. The weight of each piece must not exceed 7kg (15lb). The total combined weight of both pieces may not be more than 14kg (30lb).

Note: Infants in all cabin classes are permitted one checked-in bag that may not exceed 55 x 38 x 20cm (22 x 15 x 8 inches) in size and 23kg (50lb) where the piece concept applies, or 10kg (22lb) where the weight concept applies. In addition, customers traveling with infants (and without a child seat) are permitted to bring one carry-cot or one fully collapsible stroller into the cabin if there is room. If there is no space for these items in the cabin, they will have to be checked. However, if checked, they will not count against your baggage allowance.
